## Information about the service

### What is the service?

Managed Telco's nbn® broadband service uses NBnCo infrastructure (e.g. Fibre To The Premises, HFC, Fibre To The Curb, or Fibre To The Node) to deliver broadband to your premises. These services provide the typical evening download speeds listed for each plan in the table above.

### Where is it available?

These services are available anywhere where nbn® fixed line services have been rolled out, excludes Fixed Wireless and Satellite locations - for more details please visit

[www.nbnco.com.au/learn/rollout-map](http://www.nbnco.com.au/learn/rollout-map)

### What do I need to access the service?

This service is for certain service class types, those service class numbers are 3, 13, 24 & 34. These service class numbers mean that your premises has already been connected to the nbn® network before and just requires a change in connection from one provider to Managed Telco.

- You will need an NBN ready modem/router
- FTTC customers only will also need an nbn® network connection device & HFC customers will need an NBN Network Termination Device provided free of charge by NBnCo

### What is included?

Features of this service include:

- Australian-based support
- No lock in contracts

### Minimum term of the service

This service is month-to-month with no fixed term.

### Do I have to bundle with this service?

You do not need to bundle with this service.

### Qualifications

Please note this service may be restricted and/or cancelled if:

- You fail to pay your bill
- You are abusive to our staff
- You breach our terms and conditions or our fair use policy, details available at <https://managedtelco.com/forms-policies/>

## Information about the pricing

### Excess usage

There are no excess usage charges.

### Set-up fee

There is no set-up fee for this service.

# Critical Information Summary: nbn® Service

## New development fee

The nbn® may charge a \$300 new development fee for the cost of deploying network infrastructure to new premises or dwellings. This fee may be applied to each new premises requiring a nbn® connection. This includes, but is not limited to, new dwellings, lots under reconstruction, and new buildings requiring a new mailing address. We will inform you upon signup if this fee may apply.

## Other possible costs

You can change your plan at any time for no fee. If upgrading your plan before the end of your monthly billing cycle, you will need to pay the difference between your current plan and new plan. If you wish to downgrade your plan, please note we do not pro rata refunds on plan downgrades.

Please note, all costs mentioned on this critical information summary are inclusive of GST.

## Other information
